

AirSculpt® Technologies, Inc. Expands to Toronto, Its First International Market

November 23, 2022

The premium body contouring provider is located in the charming Yorkville neighborhood

MIAMI BEACH, Fla., Nov. 23, 2022 (GLOBE NEWSWIRE) -- AirSculpt® Technologies, Inc., ("AirSculpt") (NASDAQ: AIRS) an industry leader and provider of premium body contouring procedures, today announced the opening of its first international Elite Body Sculpture location in Toronto, Canada.

AirSculpt® is a best in class, next-generation body contouring treatment designed to optimize both comfort and precision, available exclusively at Elite Body Sculpture offices. The minimally invasive procedure removes fat and tightens skin, while sculpting targeted areas of the body, allowing for quick healing with minimal bruising, tighter skin, and precise results.

"We're thrilled to announce the opening of our first international center in Toronto," said Dr. Aaron Rollins, Founder and Chief Executive Officer at AirSculpt® Technologies. "Our international expansion speaks to the demand for our proprietary AirSculpt® procedure. We're excited to offer Canadians the dramatic transformation and premium experience that only AirSculpt® can deliver."
