Your proxy may be revoked by sending in another signed proxy card with a later date, sending a letter revoking your proxy to our Secretary in Miami Beach, Florida, voting again by Internet or telephone, or attending the Annual Meeting and voting during the meeting.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

We include this Q&A section to provide some background information and brief answers to several questions you might have about the Annual Meeting. We encourage you to read this Proxy Statement in its entirety.

Why are we providing these materials?

The Board is providing these materials to you in connection with our Annual Meeting, which will take place on May 11, 2022, and will be held in a virtual format at <https://meetnow.global/MZU44R5> beginning at 8:30 AM Eastern Time. Stockholders are invited to participate in the Annual Meeting and are requested to vote on the proposals described herein.

What information is contained in this Proxy Statement?

This Proxy Statement contains information relating to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and most highly paid executive officers and other required information.

What proposals will be voted on at the Annual Meeting?

There are two proposals scheduled to be voted on at the Annual Meeting:

- Election of the two Class I director nominees named in this Proxy Statement to serve for a term of three years; and
- Ratification of the appointment of Grant Thornton as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

We will also consider other business that properly comes before the Annual Meeting.

What shares can I vote?

You may vote all shares of common stock that you owned as of the close of business on the Record Date, March 22, 2022. You may cast one vote per share, including shares (i) held directly in your name as the stockholder of record and (ii) held for you as the beneficial owner through a stockbroker, bank or other nominee.

As of March 22, 2022, there were 55,640,154 shares of common stock outstanding, all of which are entitled to be voted at the Annual Meeting.

A list of stockholders will be available at our headquarters at 400 Alton Road, Unit TH-103M Miami Beach, Florida 33139 for a period of at least ten calendar days prior to the Annual Meeting. Please contact investors@elitebodysculpture.com to make accommodations to view the list. The list will also be available for inspection on the date of the meeting on the virtual platform for the Annual Meeting.

What are the voting rights of stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting.

What is the difference between being a stockholder of record and a beneficial owner?

Many of our stockholders hold their shares through stockbrokers, banks, or other nominees, rather than directly in their own names. As summarized below, there are some differences between being a stockholder of record and a beneficial owner.

- *Stockholder of record:* If your shares are registered directly in your name with our transfer agent, Computershare, you are the stockholder of record, and these proxy materials are being sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals named on the proxy card or to vote at the Annual Meeting.
- *Beneficial owner:* If your shares are held in a stock brokerage account or by a bank or other nominee, you are the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker or other nominee, considered to be the stockholder of record. As the beneficial owner, you have the right to tell your nominee how to vote. Your nominee has sent you instructions on how to direct the nominee’s vote. You may vote by following those instructions and the instructions on the Notice.

How do stockholders vote?

If you are a stockholder of record, you may have your shares voted on matters presented at the Annual Meeting in any of the following ways:

- *During the meeting:* You may attend the Annual Meeting virtually and cast your vote then. If you have already voted online, by telephone or by mail, your vote at the Annual Meeting will supersede your prior vote.
- *By proxy:* (i) over the Internet at www.investorvote.com/AIRS and using the 15-digit control number found on your proxy card or Notice; (ii) by using a toll-free telephone number noted on your proxy card; or (iii) by executing and returning a proxy card and mailing it in the postage-paid envelope provided. Please allow sufficient time for delivery of your proxy card if you decide to vote by mail.

If you properly cast your vote by either voting your proxy via Internet, telephone or by executing and returning the proxy card, and if your vote is not subsequently revoked by you, your vote will be voted in accordance with your instructions. If any other matter is presented, your proxy will vote in accordance with the proxy holders' best judgment. As of the date of this Proxy Statement, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board. If you are a street name holder and wish to vote at the meeting, you must first obtain a proxy from your bank, broker or other holder of record authorizing you to vote.

A control number, located on your proxy card, is designed to verify your identity and allow you to vote your shares, and to confirm that your voting instructions have been properly recorded when voting over the Internet or by telephone. Please be aware that if you vote by telephone or Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible.

May my broker vote for me?

If your broker holds your shares in street name, the broker may vote your shares on routine matters even if it does not receive instructions from you. At the Annual Meeting, your broker may, without instructions from you, vote on Proposal 2 (the selection of Grant Thornton as the Company's independent registered public accounting firm), but not on Proposal 1 (the election of the Board's nominees).

What are abstentions and broker non-votes?

An abstention represents the action by a stockholder to refrain from voting "for" or "against" a proposal. "Broker non-votes" represent votes that could have been cast on a particular matter by a broker, as a stockholder of record, but that were not cast because the broker (i) lacked discretionary voting authority on the matter and did not receive voting instructions from the beneficial owner of the shares or (ii) had discretionary voting authority but nevertheless refrained from voting on the matter.

Can I change my vote or revoke my proxy?

Yes, you may change your vote after you send in your proxy card or vote your shares via the Internet or by telephone by following these procedures:

- Entering a new vote online;
- Entering a new vote by telephone;
- Signing and returning a new proxy card bearing a later date, which will automatically revoke your earlier proxy instructions; or
- Attending the Annual Meeting and voting during the meeting.

How can I attend the Annual Meeting?

The Annual Meeting will be a completely virtual meeting of stockholders, which will be conducted exclusively by webcast. You are entitled to participate in the Annual Meeting only if you were a stockholder of the Company as of the close of business on the Record Date, or if you hold a valid proxy for the Annual Meeting.

You will be able to attend the Annual Meeting online, vote your shares electronically and submit your questions during the meeting by visiting <https://meetnow.global/MZU44R5>. To participate in the Annual Meeting, you will need to log on using the control number from your proxy card or Notice. The 15-digit control number can be found in the shaded box.

If you hold your shares through an intermediary, such as a bank or broker, you must register in advance using the instructions below.

The Annual Meeting will begin promptly on May 11, 2022 at 8:30 AM Eastern Time. We encourage you to access the meeting prior to the start time leaving ample time for the check in. Please follow the registration instructions as outlined in this Proxy Statement.

How do I register to attend the Annual Meeting virtually on the Internet?

If you are a registered stockholder (i.e., you hold your shares through our transfer agent, Computershare), you do not need to register to attend the Annual Meeting.

If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting. To register to attend the Annual Meeting, you must submit proof of your proxy power (legal proxy) reflecting your AirSculpt holdings along with your name and email address to Computershare. Requests for registration must be labeled as “Legal Proxy” and be received no later than 5:00 PM Eastern Time, on May 5, 2022. You will receive a confirmation of your registration by email after Computershare receives your registration materials.

Direct your request for registration to Computershare using either of the following methods:

- Forward the email from your broker, or attach an image of your legal proxy in an email to: legalproxy@computershare.com
- Mail a copy of the legal proxy to: Computershare, AirSculpt Legal Proxy, P.O. Box 43001, Providence, RI 02940-3001

What if I have trouble accessing the Annual Meeting?

The virtual meeting platform is fully supported across browsers (MS Edge, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most up-to-date version of applicable software and plugins. Internet Explorer is not a supported browser. Participants should ensure that they have a strong WiFi connection wherever they intend to participate in the meeting. We encourage you to access the meeting prior to the start time. For further assistance should you need it, you may call Computershare at 1-888-724-2416.

What is a proxy holder?

We are designating our chief executive officer, chief financial officer, and chief operating officer to hold and vote all properly-tendered proxies (except votes “withheld”). If you have indicated a vote, they will vote accordingly. If you have left a vote blank, they will vote as the Board recommends. While we do not expect any other business to come up for a vote, if it does, they will vote in their discretion. If a director nominee is unwilling or unable to serve, the proxy holders will vote in their discretion for an alternative nominee.

How can I ask questions at the Annual Meeting?

Questions may be submitted during the Annual Meeting through the Q&A module at <http://meetnow.global/MZU44R5>.

How does the Board recommend that I vote?

The Board recommends that you vote your shares:

- “**FOR**” the election of the Board’s nominees; and
- “**FOR**” the ratification of the appointment of Grant Thornton.

What constitutes a quorum for the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of common stock representing a majority of the combined voting power of the outstanding shares of common stock on the Record Date will constitute a quorum, permitting the meeting to conduct its business. As of the Record Date, there were 55,640,154 shares of common stock

outstanding, all of which are entitled to be voted at the Annual Meeting. Both abstentions and “broker non-votes” (when a broker does not have authority to vote on the proposal in question) are counted as present for the purpose of determining the presence of a quorum.

What vote is required to approve the election of directors (“Proposal 1”)?

Director nominees are elected by plurality vote. Therefore, if you do not vote for a nominee, or you “withhold” authority to vote for a nominee, your vote will not count either “for” or “against” the nominee. Broker non-votes will have no effect on the outcome of Proposal 1.

What vote is required to ratify the selection of Grant Thornton as the Company’s independent registered public accounting firm for Fiscal Year 2022 (“Proposal 2”)?

Proposal 2 will be approved if a majority of the votes cast affirmatively or negatively on the matter is cast “for” the proposal. You may vote “for” or “against,” or abstain from voting on Proposal 2. Abstentions and broker non-votes will have no effect on the outcome of Proposal 2.

What does it mean if I receive more than one Notice?

You may receive more than one Notice if, for example, you hold your shares in multiple brokerage accounts. You must vote based on the instructions in each Notice separately.

How are votes counted?

Computershare has been appointed to be the inspector of elections and in this capacity will supervise the voting, decide the validity of proxies and certify the results. We will publish final vote counts within four business days after the Annual Meeting on a Current Report on Form 8-K.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to third parties, except as necessary (i) to meet applicable legal requirements, (ii) to allow for tabulation and certification of the vote and (iii) to facilitate successful proxy solicitation by the Board.

Who pays for costs relating to the proxy materials and Annual Meeting?

We have retained the services of Computershare to assist us in mailing the Notice. The costs of preparing and assembling this Proxy Statement and the enclosed proxy card, along with the costs of mailing the Notice and posting the proxy materials on a website, are borne by us. In addition to the use of mail, our directors, officers and employees may solicit proxies personally and by telephone and other electronic means. They will receive no compensation in addition to their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We may reimburse these persons for their expenses in doing so.

Who should I call if I have any questions?

If you have any questions about the Annual Meeting, voting or your ownership of our common stock, please call Dennis Dean at 786-709-9690 or send an e-mail to investors@elitebodysculpture.com.

PROPOSAL NO. 1:

Election of Directors

Our business operates under the direction of the Board, which currently consists of seven directors. In accordance with our Amended and Restated Certificate of Incorporation, the Board consists of three classes of approximately equal size: Classes I, II, and III, with terms expiring in the fiscal year ended December 31, 2022 (“Fiscal 2022”), the fiscal year ended December 31, 2023 (“Fiscal 2023”), and the fiscal year ended December 31, 2024 (“Fiscal 2024”), respectively. Daniel Sollof and Pamela Netzky are the Class I directors whose terms expire at the Annual Meeting. Pursuant to our Stockholders Agreement (as defined below) and subject to the maintenance of certain ownership requirements, Vesey Street Capital Partners, L.L.C., our private equity sponsor (“Sponsor”), has a contractual right to designate two nominees to our Board. Daniel Sollof is an affiliate of our Sponsor. The Board has nominated, and stockholders are being asked to reelect, Daniel Sollof and Pamela Netzky for three-year terms expiring at our fiscal year ended December 31, 2025 (“Fiscal 2025”) annual meeting of stockholders. If elected, the nominees will each hold office until the conclusion of our Fiscal 2025 annual meeting of stockholders and a successor is duly elected and qualified or until earlier death, resignation, or removal.

Each of the two nominees currently serves as a director of the Company. The Board is not aware of any nominee who will be unable or unwilling to serve as a director if elected at the Annual Meeting. In the event that one or more nominees is unexpectedly not available to serve, proxies may be voted for another person nominated as a substitute by the Board, or the Board may reduce the number of directors to be elected at the Annual Meeting. Information relating to each nominee for election as director and for each continuing director, including period of service as a director of the Company, principal occupation and other biographical material, is shown later in this Proxy Statement.

The Board recommends a vote FOR the election of each of the nominees as director.

Board Composition and Election of Directors

Our business and affairs are managed under the direction of our Board. The primary responsibilities of the Board are to provide oversight, strategic guidance, counseling and direction to our management. Our Board meets on a regular basis and additionally as required.

The number of directors is fixed by our Board, subject to the terms of our amended and restated certificate of incorporation, our amended and restated bylaws and our Stockholders Agreement (as defined below). Our Board consists of seven directors, six of whom qualify as “independent” under the Nasdaq listing standards.

Directors are (except for the filling of vacancies and newly created directorships) elected by the holders of a plurality of the votes cast by the holders of shares present in person or represented by proxy at the meeting and entitled to vote on the election of such directors. Our Board is divided into three classes with staggered three-year terms. Only one class of directors is elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Our directors are divided among the three classes as follows:

- the Class I directors are Daniel Sollof and Pamela Netzky, and their terms expire at the first annual meeting of stockholders;
- the Class II directors are Adam Feinstein, Kenneth Higgins and Thomas Aaron, and their terms expire at the second annual meeting of stockholders; and
- the Class III directors are Dr. Aaron Rollins and Caroline Chu, and their terms expire at the third annual meeting of stockholders.

Each director’s term continues until the election and qualification of his or her successor, or his or her earlier death, resignation, disqualification or removal. No decrease in the number of directors will shorten the term of any incumbent director. Our Board is authorized to assign members of the Board already in office to the three classes; provided, that each class include a specified director designated pursuant to our Stockholders Agreement (as defined below). This classification of our Board may have the effect of delaying or preventing changes in control of our company.

In addition, we entered into a stockholders agreement with affiliates of Sponsor and Dr. Aaron Rollins in connection with our initial public offering (the “Stockholders Agreement”). This agreement grants affiliates of our Sponsor and Dr. Aaron Rollins the right to designate nominees to our Board subject to the maintenance of certain ownership requirements in us. See “Certain Relationships and Related Party Transactions—Stockholders Agreement.”

In accordance with our corporate governance guidelines and subject to the Stockholders Agreement, our independent directors will designate a lead independent director in the event that the Company does not have an independent chairperson of the Board. Our corporate governance guidelines also provide that the independent directors shall meet periodically in executive session but no less than two times per year or whatever minimum has been set by the Nasdaq listing standards.

Controlled Company Exemption

We meet the definition of a “controlled company” under the Nasdaq listing standards, and thus we qualify for the “controlled company” exemption to the board of directors and committee composition requirements under the Nasdaq listing standards. If we were to rely on this exemption, we would be exempt from the requirements that (1) our Board be comprised of a majority of independent directors, (2) we have a nominating and corporate governance committee composed entirely of independent directors, and (3) our compensation committee be comprised solely of independent directors. The “controlled company” exemption does not modify the independence requirements for the audit committee, and we comply, and intend to continue complying, with the requirements of the Sarbanes-Oxley Act and the Nasdaq listing standards, which require that our audit committee be composed of at least three members and entirely of independent directors within one year from the date of this prospectus.

We do not, and do not intend to, rely on the “controlled company” exemption under the Nasdaq listing standards and we have taken all actions necessary to comply with such requirements, including appointing a majority of independent directors to the Board and establishing certain committees composed entirely of independent directors within the time frames set forth under the Nasdaq listing standards. However, as long as we remain a “controlled company” these requirements will not apply to us and we may, in the future, seek to utilize some or all of these exemptions.

Director Independence

Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that Thomas Aaron, Caroline Chu, Adam Feinstein, Kenneth Higgins, Pamela Netzky and Daniel Sollof do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors

is “independent” as that term is defined under the listing standards of Nasdaq. In making these determinations, our Board considered the current and prior relationships that each non-employee director has with our company, including the fact that Adam Feinstein and Daniel Sollof are affiliates of our Sponsor, which owns 52.7% of our common stock.

Annual Board and Committee Performance Review

Pursuant to our corporate governance guidelines, the nominating and corporate governance committee is responsible for reporting annually to the Board an evaluation of the overall performance of the Board. Additionally, the charters of the audit committee, compensation committee, and nominating and corporate governance committees each provide that the respective committee is responsible for performing or participating in an annual evaluation of its performance, the results of which are presented to the Board.

Board Meeting Attendance

Subsequent to our initial public offering during the fiscal year ended December 31, 2021 (“Fiscal 2021”), our Board met once, our audit committee met twice, and our compensation committee met once. Each director attended the Board meeting and all of the meetings of the Board committees on which such director served in Fiscal 2021 subsequent to our initial public offering. The Board and its committees also approved certain actions by unanimous written consent in lieu of a meeting.

It is our policy that our directors attend annual meetings of stockholders.

Committees of the Board of Directors

Our Board has an audit committee, a compensation committee and a nominating and corporate governance committee. The composition and responsibilities of each of the committees of our Board are described below. Members serve on these committees until their resignation or until as otherwise determined by our Board. Each member of the compensation committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act. The purpose of our compensation committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. Our compensation committee, among other things:

- reviews, approves and determines, or makes recommendations to our Board regarding, the compensation of our executive officers;
- administers our stock and equity incentive plans;
- reviews and approves, or makes recommendations to our Board regarding, incentive compensation and equity plans; and
- establishes and reviews general policies relating to compensation and benefits of our employees.

Our compensation committee operates under a written charter that satisfies the applicable rules of the SEC and the listing standards of Nasdaq. The charter provides that the compensation committee may, in its sole discretion and at the expense of the Company, retain or obtain the advice of a compensation consultant, legal counsel or other adviser and will be directly responsible for the appointment, compensation and oversight of the work of any such adviser. However, before engaging or receiving advice from a compensation consultant, external legal counsel or any other adviser, the compensation committee will consider the independence of each such adviser, including the factors required by Nasdaq and the SEC.

To assist the compensation committee in meeting its responsibilities, the committee engaged Haigh & Co. (“Haigh”) as its independent outside compensation consultant to regularly provide executive compensation market analysis and insight, with respect to our executive officers. Haigh only provides services to the compensation committee with respect to executive and director compensation and does not provide any other services to the Company.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of Kenneth Higgins and Pamela Netzky, with Kenneth Higgins serving as Chairperson. The composition of our nominating and corporate governance committee meets the requirements for independence under Nasdaq listing standards and SEC rules and regulations. Our nominating and corporate governance committee, among other things:

- identifies, evaluates and selects, or makes recommendations to our Board regarding, nominees for election to our Board and its committees;

The nominating and corporate governance committee operates under a written charter that satisfies the applicable listing requirements and rules of Nasdaq.

Role of Board of Directors in Risk Oversight Process

Our Board has responsibility for the oversight of our risk management processes and, through the audit committee, regularly discusses with management and the auditors, as appropriate, (i) the Company’s guidelines and policies with respect to financial risk management and financial risk assessment, including the Company’s major financial risk exposures and the steps taken by management to monitor and control these exposures and (ii) management risks relating to data privacy, technology and information security, including cyber security and back-up of information systems, and the steps the Company has taken to monitor and control such exposures. The compensation committee is responsible for reviewing the Company’s practices and policies of employee compensation as they relate to risk management and risk-taking

incentives in order to determine whether such compensation policies and practices are reasonably likely to have a material adverse effect on the Company. Additionally, the risk oversight process includes receiving regular reports from our Board committees and members of senior management to enable our Board to understand our risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, cybersecurity, strategic and reputational risk.

None of the members of our compensation committee is or has at any time during the past year been an officer or employee of ours. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or compensation committee.

Employee, Officer and Director Hedging

Our insider trading policy expressly prohibits our employees, officers and directors from (i) engaging in hedging or monetization transactions, including through the use of financial instruments such as prepaid variable forwards, equity swaps, collars, and exchange funds, and (ii) trading in derivative securities related to our common stock, which includes publicly traded call and put options. Our corporate governance guidelines are available on our website at www.investors.elitebodysculpture.com/corporate-governance/governance.

Director Nomination Process

The nominating and corporate governance committee recommends, and our Board nominates, candidates to stand for election as directors. The nominating and corporate governance committee has the authority to engage search firms for the purpose of identifying highly qualified director candidates, for which such firms are paid a fee. Stockholders may also nominate persons to be elected as directors in accordance with our bylaws and applicable law, as described under “Additional Information—Requirements for Stockholder Proposals.”

Board Membership Criteria

It is the policy of our Board that directors should possess strong personal and professional ethics, integrity, and values; be business savvy and genuinely interested in the Company; and be committed to representing the long-term interests of our

PROPOSAL NO. 2:**Ratification of Independent Registered Public Accounting Firm**

The audit committee of the Board has appointed Grant Thornton as our independent registered public accounting firm for Fiscal 2022. We are asking our stockholders to ratify this appointment.

SEC regulations and the Nasdaq listing standards require our audit committee to engage, retain, and supervise our independent registered public accounting firm. Our audit committee annually reviews our independent registered public accounting firm's independence, including reviewing all relationships between the independent registered public accounting firm and us and any disclosed relationships or services that may impact the objectivity and independence of the independent registered public accounting firm, and the independent registered public accounting firm's performance. Although stockholder ratification is not required by applicable law nor by our bylaws, we are submitting our selection of Grant Thornton as our independent registered public accounting firm as a matter of good corporate governance.

We expect that representatives of Grant Thornton will be present at the meeting, that the representatives will have the opportunity to make a statement if they so desire, and that they will be available to respond to appropriate questions.

Grant Thornton has served as our independent registered public accounting firm since 2018.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The audit committee has the responsibility to select, appoint, engage, oversee, retain, evaluate, and terminate our external auditors; pre-approve all audit and non-audit services to be provided, consistent with all applicable laws, to us by our external auditors; and establish the fees and other compensation to be paid to our external auditors. Narrative Disclosure to Summary Compensation Table

Annual Base Salary

Each named executive officer's base salary is a fixed component of compensation for each year for performing specific job duties and functions. The 2021 annual base salaries for our named executive officers are set forth in the Summary Compensation Table above.

In May 2021, our Board approved an increase to Dr. Rollins’ annual base salary from \$300,000 to \$600,000 and an increase to Mr. Zelhof’s annual base salary from \$300,000 to \$500,000. As discussed under “Employment Agreements” below, Dr. Rollins’ annual base salary was further increased to \$875,000 and Mr. Zelhof’s annual base salary was further increased to \$575,000, in each case, in connection with our initial public offering and effective as of October 28, 2021. Mr. Dean’s annual base salary when he began employment with the Company, effective June 1, 2021, was \$395,000 and Mr. Dean’s annual base salary was increased from \$395,000 to \$500,000 in connection with our initial public offering and effective as of October 28, 2021.

Annual Cash Bonuses

In addition to their annual base salary, our named executive officers are eligible for an annual cash performance bonus for each fiscal year based upon achievement of our performance targets, as determined by our Board in its sole and absolute discretion. For 2020, Dr. Rollins and Mr. Zelhof were eligible to receive an annual target cash performance bonus of 50% and 40%, respectively, of their annual base salary based on annual EBITDA performance. When he began employment, Mr. Dean was eligible to receive an annual target cash performance bonus of 50% of his annual base salary. In connection with our initial public offering, Dr. Rollins, Mr. Zelhof and Mr. Dean had their annual target cash performance bonuses increased to 100%, 75% and 75%, respectively, of their annual base salary.

In December of 2020, our Board approved the 2021 budgeted EBITDA target of \$37.0 million. For the 2021 performance period, our EBITDA was \$46.1 million and as a result, Dr. Rollins, Mr. Zelhof and Mr. Dean earned bonuses at 100% of target. Annual bonuses paid to our NEOs for 2021 were pro-rated to reflect adjustments to base salaries and to target annual bonuses that occurred during the year. The annual bonuses paid to our NEOs for 2021 were \$395,833 in the case of Dr. Rollins, \$238,542 in the case of Mr. Zelhof and \$194,167 in the case of Mr. Dean. These bonuses were paid during the first quarter of 2022.

Equityholder Bonus for Dr. Rollins

Prior to our initial public offering, Dr. Rollins was eligible to receive an annual cash incentive award based on his ownership of Company equity and the Company's EBITDA performance (the "Equityholder Bonus"). The Equityholder Bonus was paid annually in an amount equal to (x) the greater of (i) \$500,000 and (ii) 2% of the Company's consolidated EBITDA for such calendar year, multiplied by (y) a fraction, the numerator of which is the number of Class A Units held by Dr. Rollins and the denominator of which is the aggregate number of Class A Units outstanding as of December 31 of the applicable calendar year. The Equityholder Bonus was paid in four quarterly installments during the course of the year for which it was earned and was adjusted after the end of the year to the extent quarterly installments were over or under paid. As discussed under "Employment Agreements" below, Dr. Rollins is no longer entitled to the Equityholder Bonus.

For 2021, Dr. Rollins earned an Equityholder Bonus of \$124,186, which was paid in quarterly installments during the year. In connection with our initial public offering, Dr. Rollins received a payment in connection with the termination of the Equityholder Bonus of \$280,482.

IPO Equity Awards

In connection with our initial public offering, we awarded special one-time grants of RSUs and PSUs under the 2021 Plan to certain key executives, including each of Dr. Rollins, Mr. Zelhof and Mr. Dean (the "IPO Awards"). The IPO Awards for Dr. Rollins, Mr. Zelhof and Mr. Dean are 50% in the form of RSUs and 50% in the form of PSUs.

The number of RSUs granted to Dr. Rollins, Mr. Zelhof and Mr. Dean in connection with their IPO Awards cover 973,703 shares of our common stock, 486,851 shares of our common stock and 486,851 shares of our common stock, respectively. The RSUs vest one-third annually over the first three anniversaries of the date of grant, subject to continued employment on such date, except as otherwise described under "Potential Payments and Benefits upon Termination or Change in Control" below.

For Dr. Rollins, Mr. Zelhof and Mr. Dean, the number of PSUs granted to them in connection with their IPO Awards cover 973,703 shares of our common stock, 486,851 shares of our common stock and 486,851 shares of our common stock, respectively. Fifty percent of the PSUs vest based on the highest 60-day volume weighted average price of our common stock at any time during the three-year period following the date of grant as compared to the offering price of our common stock in connection with the initial public offering (the "baseline stock price"), with (i) one-third of such PSUs vesting upon achievement of a stock price of 120% of the baseline stock price, (ii) one-third of such PSUs vesting upon achievement of a stock price of 145% of the baseline stock price, and (iii) one-third of such PSUs vesting upon achievement of a stock price of 175% of the baseline stock price. The other 50% of the PSUs vest in full based on our achievement of a net revenue performance goal of \$225 million or greater over any trailing four consecutive fiscal quarters during the three-year period following the date of grant. Vesting of the PSUs is subject to continued employment on the date the performance goal is achieved, except as otherwise described under "Potential Payments and Benefits upon Termination or Change in Control" below. Upon a change in control (as defined in the 2021 Plan), the performance conditions underlying the PSUs are deemed satisfied at 100% and the PSUs remain subject solely to time-based vesting over the remainder of the three year performance period, subject to continued service on such date except as otherwise described under "Potential Payments and Benefits upon Termination or Change in Control" below.

Benefits

All of our current named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, and vision, in each case on the same basis as all of our other employees, except that we pay for the full cost of premiums of such benefits for our named executive officers. We generally do not provide perquisites or personal benefits to our named executive officers.

Employment Agreements

We previously entered into employment agreements with each of Dr. Rollins, effective October 2, 2018, Mr. Zelhof, effective December 1, 2018, and Dennis Dean, effective June 1, 2021. On October 5, 2021, we entered into Amended and Restated Employment Agreements with each of Dr. Rollins, Mr. Zelhof and Mr. Dean in connection with our initial public offering (the “Amended and Restated Employment Agreements”), which agreements became effective upon completion of our initial public offering.

The Amended and Restated Employment Agreements each provide that the executive will receive a base salary of \$875,000 (in the case of Dr. Rollins), \$575,000 (in the case of Mr. Zelhof) and \$500,000 (in the case of Mr. Dean), which may be reviewed annually and may be increased, but not decreased, without the executive’s consent. The Amended and Restated Employment Agreements also provide that the executive is eligible to receive an annual performance-based cash bonus with a target annual bonus of 100% of base salary (in the case of Dr. Rollins) and 75% of base salary (in the case of Mr. Zelhof and Mr. Dean), which bonus is earned based on the achievement of performance targets, as determined annually by our Board. Any annual bonus, to the extent earned, is paid in a lump sum.

The Amended and Restated Employment Agreements also provided that the executive would receive a special one-time equity award grant as soon as reasonably practicable following the completion of our initial public offering, which equity grants are described under “IPO Equity Awards” above.

Under the Amended and Restated Employment Agreements, the executives are also eligible to participate in the Company’s annual equity grant program, with the first such annual equity grant in the first quarter of 2022. Pursuant to his Amendment and Restated Employment Agreement, for Dr. Rollins, the 2022 annual equity grant has a grant date fair value equal to 200% of base salary, with a portion of such award being in the form of time-vesting restricted stock units that vest over three years in equal annual installments. All equity awards are subject to the approval of our Board. The Amended and Restated Employment Agreements for each of Mr. Zelhof and Mr. Dean also provided that the executive would receive a special one-time cash bonus in a lump sum payment as soon as reasonably practicable following the completion of our initial public offering in the amount of \$4,750,000 (in the case of Mr. Zelhof) and \$1,800,000 (in the case of Mr. Dean).

Under the Amended and Restated Employment Agreements the executive may terminate their respective employment at any time and for any reason with 60 days’ prior written notice, provided, however, that we may accelerate the executive’s last day of employment to any date within the 60-day notice period without converting the resignation into anything other than a voluntary resignation. We may terminate the executive’s employment immediately for “disability” (as defined in the Amended and Restated Employment Agreements) or immediately upon written notice for “cause” (as defined below). In the event that the executive’s employment is terminated due to his death or disability, for “cause” or upon his resignation without “good reason” (as defined below), we must provide the executive (or his beneficiaries) with (i) any unpaid base salary through the date of termination, (ii) payment for any accrued but unused paid time off, (iii) following submission of proper expense reports, reimbursement for expenses properly incurred, and (iv) all other vested entitlements or benefits to which he is entitled (collectively, the “Accrued Benefits”).

If we terminate the executive’s employment without cause (which in the case of Mr. Zelhof must be with 90 days’ written notice) or the executive terminates his employment for “good reason” (as defined below), then we must provide the executive with the Accrued Benefits and subject to the executive’s execution and non-revocation of a release of claims, a lump sum payment equal to two times (in the case of Dr. Rollins) and one and one-half times (in the case of Mr. Zelhof and Mr. Dean), the sum of (i) executive’s annual base salary, plus (ii) his target annual bonus, in each case at the rates and target amounts in effect as of such termination of employment.

For purposes of the Amended and Restated Employment Agreements with each of Dr. Rollins and Mr. Zelhof, “cause” generally means the executive’s (i) fraud, embezzlement or other misappropriation of funds or property of the Company or any of its subsidiaries or affiliates (each, a “Company Group Member”) or any persons or professional for which the Company or its subsidiaries or affiliates provides business, management, administrative, marketing or other support services (“Managed Practices”), (ii) any gross misconduct that is injurious, directly or indirectly, in any material respect to any Company Group Member or any Managed Practice, (iii) failure to perform, or breach of, in any material respect, of any obligations under the Employment Agreement or any other agreement between the executive and any Company Group Member, (iv) exclusion, debarment, termination or suspension under any Medicare, Medicaid, TRICARE or other federal, state or government health care program, or commission or conviction of, indictment for or plea of guilty or no contest to,

any felony or any crime involving moral turpitude, embezzlement, fraud or self-dealing or any crime which could reasonably be expected to subject the executive, any Company Group Member, services or Managed Practice to exclusion, debarment, termination or suspension under any Medicare, Medicaid, TRICARE or other federal, state or government health care program, (v) use of alcohol or controlled substances that impairs the executive’s ability to perform his duties and responsibilities with respect to any Company Group Member or Managed Practice in any material respect, (vi) challenging the legality, validity or enforceability of any of the Managed Practice documents, (vii) termination by a Managed Practice owned or controlled by the executive of a managed services agreement with any Company Group Member for reasons other than a material breach of such agreement by any Company Group Member, (viii) the willful breach by a Managed Practice owned or controlled by the executive of a management services agreement with any Company Group Member, or (ix) the executive’s failure to give timely notice of his resignation under the employment agreement. With respect to items (ii), (iii), (viii) and (ix), any such action will only constitute “cause” if the Board notifies the executive in writing of such action and the executive has not remedied the action within 30 days of such notice. For Dr. Rollins, “cause” is also defined to include his license to practice medicine in the State of California or New York being revoked, terminated, cancelled, suspended, relinquished or placed on probationary status.

For purposes of the Amended and Restated Employment Agreement with Mr. Dean, “cause” generally is defined in the same manner as set forth above for Dr. Rollins and Mr. Zelhof, however prongs (iv), (vii) and (viii) of the “cause” definition described above do not apply to Mr. Dean and are replaced with a prong that includes Mr. Dean’s conviction of, or plea of guilty or no contest to, a felony or crime involving moral turpitude.

For purposes of the Amended and Restated Employment Agreements, “good reason” generally means (i) a material reduction of title authority, duties or responsibilities with the Company, (ii) a material reduction in base salary, (iii) relocation of principal place of work to a place more than 25 miles from the Company’s headquarters in Miami, Florida, or, in the case of Mr. Dean, 35 miles from Nashville, Tennessee, or (iv) a material breach by the Company of the employment agreement. Good reason will not exist unless the executive notifies the Company in writing of such action not later than 30 days after its initial occurrence and the Company has not remediated the action within 15 days of such notice. If the Company cannot remedy the action or condition for reasons beyond its control it may get a 15 day extension of the cure period.

Employee Covenants Agreement

We also entered into an Employee Covenants Agreement with Dr. Rollins dated as of October 2, 2018 (the “Rollins Covenants Agreement”), which agreement includes customary confidentiality and non-disparagement provisions, as well as provisions relating to assignment of inventions. On October 5, 2021, we entered into an amendment to the Rollins Covenants Agreement, which became effective upon completion of our initial public offering. The Rollins Covenants Agreement, as amended, also includes non-competition and non-solicitation of employees and customers provision that run during Dr. Rollins employment with the Company and for a period of twelve months after termination of employment.

Potential Payments and Benefits upon Termination or Change in Control

As discussed under “Employment Agreements,” the Amended and Restated Employment Agreements provide for certain severance payments in connection with our NEOs termination of employment under certain circumstances.

Treatment of IPO Equity Awards

As detailed above under “IPO Awards,” we granted to each of Dr. Rollins, Mr. Zelhof and Mr. Dean RSUs and PSUs in connection with our initial public offering. The RSU and PSU grants provide for the following treatment in connection with certain qualifying terminations of employment or a change in control. All references to “change in control” in this section refer to such term as it is defined in the 2021 Plan.

Dr. Rollins. In the event of a termination of Dr. Rollins without cause, for good reason or due to his death or disability, (i) all unvested RSUs granted to Dr. Rollins will accelerate and vest in full as of the date of such termination and (ii) all unvested PSUs will remain outstanding and eligible to vest pro-rata, based on time employed during the performance period, subject to achievement of the specified performance condition during the performance period. The terms “cause” and “good reason” are as defined in Dr. Rollins’s employment agreement. On a change in control, all PSUs will be converted into time-vesting RSUs at target amounts, with cliff vesting at the end of the applicable performance period. Upon a qualifying termination of employment following a change in control, all unvested RSUs and PSUs will accelerate and vest in full as of the date of such termination.

Mr. Zelhof and Mr. Dean. In the event of a termination of Mr. Zelhof or Mr. Dean without cause, for good reason or due to death or disability, (i) all unvested RSUs that would have vested during the twelve month period following the executive’s termination of employment will vest as of the date of such termination and (ii) all unvested PSUs will remain outstanding and eligible to vest pro rata, based on time employed during the performance period, for a period of 12 months following termination of employment, subject to achievement of the specified performance condition during such twelve month period. The terms “cause” and “good reason” are as defined in the executive’s employment agreement. On a change in control, all PSUs will be converted into time-vesting RSUs at target amounts, with cliff vesting at the end of the applicable performance period. Upon a qualifying termination of employment during the eighteen month period immediately following a change control, all unvested RSUs and PSUs will accelerate and vest in full as of the date of such termination.

Treatment of Restricted Shares

In the event of a termination of Mr. Zelhof’s employment without cause, for good reason or due to his death or disability, any of the 578,051 shares of restricted common stock granted to Mr. Zelhof that are then unvested will accelerate and vest in full as of such termination. The terms “cause” and “good reason” are as defined in Mr. Zelhof’s employment agreement.

Narrative to Director Compensation Table

In connection with our initial public offering, we adopted a formal policy governing the compensation of our non-employee directors. Any director who also serves as an employee receives no additional compensation for services as a director or as a member of a committee of our Board. Compensation for our non-employee directors (other than Adam Feinstein and Daniel Sollof, who are not compensated for their service as directors) includes an annual cash retainer of \$75,000. In addition, non-employee directors (other than Adam Feinstein and Daniel Sollof, who are not compensated for their service as directors) also receive an additional cash retainer for service on the audit committee, compensation committee, or nominating and corporate governance committee of our Board. The chairman of the audit committee receives an additional cash retainer of \$20,000, and the other members of the audit committee will receive an additional cash retainer of \$10,000. The chairmen of the compensation committee or nominating and corporate governance committee each receive an additional cash retainer of \$15,000, and each other member of such committee will receive an additional cash retainer of \$7,500. All cash retainers for service on committees of our Board are payable quarterly. All cash retainers will be pro-rated for any partial periods of service. In addition to cash compensation, each non-employee director (other than Adam Feinstein and Daniel Sollof, who are not compensated for their service as directors) receives an annual RSU grant equal to \$150,000 of our common stock, which will be granted at each annual meeting of our stockholders and will vest upon the earlier of (i) the first anniversary of the date of grant or (ii) the day prior to our next annual meeting of stockholders. In connection with our initial public offering, we granted 13,910 RSUs under the 2021 Plan to each of our non-employee directors which RSUs will vest on October 28, 2022, subject to each non-employee director's continued service through such date.

Equity Compensation Plan Information

The following table provides certain information with respect to all of our equity compensation plans in effect as of December 31, 2021:

Name	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights ⁽²⁾	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))

(1) Total reflects outstanding stock options, RSUs and PSUs granted pursuant to our 2021 Equity Incentive Plan as of December 31, 2021. The number of shares of common stock reserved for issuance under the 2021 Plan will automatically increase on January 1 of each year, beginning on January 1, 2023, and continuing through and including January 1, 2031, by four percent (4%) of the aggregate number of shares of common stock issued and outstanding on December 31 of the preceding calendar year, or a lesser number of shares determined by our Board prior to the applicable January 1.

(2) The weighted-average exercise price of outstanding options, warrants and rights is \$0 because there are no outstanding options and the outstanding RSUs and PSUs have no exercise price.

Section 16(a) Reporting

Section 16(a) of the Exchange Act requires that our directors, executive officers, and greater than 10% stockholders file reports with the SEC relating to their initial beneficial ownership of our securities and any subsequent changes. These reports are commonly referred to as Form 3, Form 4 and Form 5 reports. They must also provide us with copies of the reports.

Based solely on a review of the copies of such forms in our possession, and on written representations from the reporting persons, we believe that all of these reporting persons complied with their filing requirements for the fiscal year ended December 31, 2021.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Professional Services Agreements

We entered into professional services agreements (the “Professional Services Agreements”), effective October 2, 2018, with our Sponsor, Dr. Aaron Rollins and other equity holders (collectively the “Advisors”), where the Advisors provided certain managerial and advisory services to us. Each of the Advisors had an ownership interest in EBS Parent LLC. Under the Professional Services Agreements, we agreed to pay the Advisors an aggregate annual fee of the greater of \$500,000 or 2% of consolidated earnings before interest, tax, depreciation and amortization, less any amounts paid to Dr. Rollins as an equityholder bonus paid to Dr. Rollins pursuant to the terms of the Employment Agreement with Dr. Rollins, payable in advance quarterly installments, and the fee was allocated between the Advisors based on the outstanding Class A Units of EBS Parent LLC held by such Advisor. Under the agreements, we also reimbursed the Advisors for any out-of-pocket expenses incurred related to providing their services. During the years ended December 31, 2020 and 2019, the Company incurred management fees of approximately \$500,000 each year, including the equityholder bonus paid to Dr. Rollins pursuant to the terms of the Employment Agreement with Dr. Rollins. The Professional Services Agreements were terminated immediately prior to the completion of our initial public offering for an aggregate termination fee of \$1,000,000, including an equityholder bonus paid to Dr. Rollins pursuant to the terms of the Employment Agreement with Dr. Rollins.

Management Services Agreements and Continuity Agreements

We have entered into MSAs with Elite Body Sculpture, PC (California), EBS Florida, PLLC, EBS Minnesota, LLC, Madison Avenue Medical PLLC (New York) (the “New York Professional Association”), EBS Tennessee, PLLC, EBS—Texas, PLLC, EBS Utah, LLC, EBS Virginia, LLC, and EBS Washington, PLLC. Each of these Professional Associations is owned by Dr. Aaron Rollins. Dr. Aaron Rollins does not receive any additional compensation as a result of his ownership interest in these Professional Associations.

In July 2020, we entered into an MSA with EBS Arizona, LLC, which is owned by Dr. Aaron Rollins’ father, Dr. Arlen J. Rollins. Pursuant to this MSA, during 2020 and for the six months ending June 30, 2021, Dr. Arlen J. Rollins received compensation of \$9,287 and \$15,750, respectively, for his role as medical director of our center located in Scottsdale, Arizona.

In connection with each of the MSAs, we entered into Continuity Agreements with Dr. Aaron Rollins and Dr. Arlen J. Rollins; provided that, because of limitations under New York law, there is no Continuity Agreement in place with respect to the New York Professional Association.

Stockholders Agreement

In connection with our initial public offering, we entered into a stockholders agreement with affiliates of our Sponsor, and Dr. Aaron Rollins in connection with our initial public offering (the “Stockholders Agreement”). The Stockholders Agreement requires us to, among other things, nominate a number of individuals designated by affiliates of our Sponsor for election as our directors at any meeting of our stockholders (each a “Sponsor Director”) such that, upon the election of each such individual, and each other individual nominated by or at the direction of our Board or a duly-authorized committee of the Board, as a director of our Company, and taking into account any director continuing to serve without the need for re-election, the number of Sponsor Directors serving as directors of our Company will be equal to:

- if affiliates of our Sponsor together beneficially own 25% or more of our outstanding shares of common stock, two Sponsor Directors; and
- if affiliates of our Sponsor together beneficially own 10 % or more, but less than 25%, of our outstanding shares of common stock, one Sponsor Director.

For so long as the Stockholders Agreement remains in effect, Sponsor Directors may be removed only with the consent of our Sponsor. In the case of a vacancy on our Board created by the removal or resignation of a Sponsor Director, the Stockholders Agreement requires us to nominate an individual designated by affiliates of our Sponsor for election to fill the vacancy. Additionally, for so long as affiliates of our Sponsor hold at least 25% of our outstanding shares of common stock, we must take all necessary action to ensure that the number of directors serving on our Board will not exceed seven without the consent of affiliates of our Sponsor. Further, for so long as affiliates of our Sponsor are entitled to designate two Sponsor Directors for election to our Board, we are required to take all necessary action to cause the chairperson of our Board to be an individual chosen by affiliates of our Sponsor.

Additionally, the Stockholders Agreement grants Dr. Aaron Rollins the right to nominate one director (the “Rollins Director”) to our Board for so long as Dr. Aaron Rollins beneficially owns 10% or more of our outstanding shares of

common stock. For so long as the Stockholders Agreement remains in effect, the Rollins Director may be removed only with the consent of Dr. Aaron Rollins. In the case of a vacancy on our Board created by the removal or resignation of the Rollins Director, the Stockholders Agreement requires us to nominate an individual designated by Dr. Aaron Rollins for election to fill the vacancy.

The stockholders agreement also requires us to obtain customary director indemnity insurance and enter into indemnification agreements with the Sponsor Directors and the Rollins Director.

Registration Rights Agreement

In connection with our initial public offering, we entered into a registration rights agreement with our Sponsor and Dr. Aaron Rollins. The registration rights agreement provides our Sponsor and Dr. Aaron Rollins with certain demand registration rights, including shelf registration rights, in respect of any shares of our common stock held by it, subject to certain conditions. In addition, in the event that we register additional shares of common stock for sale to the public, we will be required to give notice of such registration to our Sponsor and Dr. Aaron Rollins, and, subject to certain limitations, include shares of common stock held by them in such registration. The agreement includes customary indemnification provisions in favor of our Sponsor and Dr. Aaron Rollins, any person who is or might be deemed a control person (within the meaning of the Securities Act and the Exchange Act) and related parties against certain losses and liabilities (including reasonable costs of investigation and legal expenses) arising out of or based upon any filing or other disclosure made by us under the securities laws relating to any such registration.

Dividend Recapitalization

In February 2021, the Company made a \$3 million distribution to EBS Parent LLC.

In May 2021, the Company amended the Credit Agreement by adding an incremental \$52.0 million senior secured term loan. The proceeds from this loan plus excess cash on the balance sheet were used to pay a distribution to EBS Parent LLC of approximately \$59.7 million and the related fees for this transaction.

Indemnification of Officers and Directors

We are party to indemnification agreements with each of our officers and directors. The indemnification agreements provide the officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under Delaware law. Additionally, we may enter into indemnification agreements with any new directors or officers that may be broader in scope than the specific indemnification provisions contained in Delaware law. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our officers and directors pursuant to the foregoing agreements, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is therefore unenforceable.

Policies and Procedures for Related Party Transactions

Our audit committee charter provides that the audit committee has the primary responsibility for reviewing and approving or disapproving “related party transactions,” which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed the lesser of \$120,000 or 1% of our assets and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person will be defined as a director, executive officer, nominee for director or greater than 5% beneficial owner of our common stock, in each case since the beginning of the most recently completed year, and their immediate family members. Our Board adopted a policy governing the review and approval of related party transactions by the audit committee.

AUDIT COMMITTEE REPORT

The audit committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2021 with management.

The audit committee has discussed with our independent auditors the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and SEC.

The audit committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence.

Based on these reviews and discussions, the audit committee recommended to the Board that our audited financial statements be included in our Fiscal 2021 Annual Report on Form 10-K for filing with the SEC.

The audit committee has also appointed Grant Thornton as the Company's independent registered public accounting firm for Fiscal 2022.

Respectfully submitted,

THE AUDIT COMMITTEE

Thomas Aaron
Caroline Chu
Kenneth Higgins

ADDITIONAL INFORMATION

Requirements for Stockholder Proposals to be Considered for Inclusion in our Proxy Materials

Pursuant to SEC Rule 14a-8, certain stockholder proposals may be eligible for inclusion in the Company's proxy statement for the Fiscal 2023 annual meeting of stockholders. To be considered for inclusion in next year's proxy statement, stockholder proposals must be received by our Corporate Secretary at our principal executive offices no later than the close of business on December 2, 2022.

Requirements for Stockholder Proposals to be Brought Before an Annual Meeting

Our Board does not have a written policy regarding stockholder nominations to the Board, but has determined that it is the practice of the Board to consider candidates proposed by stockholders if made in accordance with our bylaws. Our bylaws provide that, for stockholder nominations to the Board or other proposals to be considered at an annual meeting, the stockholder must have given timely notice thereof in writing to the Secretary at the principal executive offices of the Corporation. To be timely, the stockholder's notice must be delivered to or mailed and received by us not earlier than the close of business on the 120th day nor later than the close of business on the 90th day prior to the anniversary date of the prior year's annual meeting, except that if the annual meeting is set for a date that is not within 30 days before or 60 days after such anniversary date, we must receive the notice not later than the close of business on the ninetieth day prior to such annual meeting or, if later, the tenth day following the day on which we first provide notice or public disclosure of the date of the Annual Meeting. Assuming the date of our Fiscal 2023 annual meeting is not so advanced or delayed, stockholders who wish to make a proposal at the Fiscal 2023 annual meeting must notify us no earlier than January 11, 2023 and no later than February 10, 2023. Such notice must provide the information required by our bylaws with respect to each matter the stockholder proposes to bring before the Fiscal 2023 annual meeting. If you wish to obtain a free copy of our bylaws, please contact our Secretary at AirSculpt Technologies, Inc., 400 Alton Road, Unit TH-103M, Miami Beach, Florida 33139, or by email at investors@elitebodysculpture.com.

In addition to satisfying the foregoing requirements under the Company's bylaws, to comply with the universal proxy rules (once effective), stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than March 13, 2023.

Incorporation by Reference

To the extent that this Proxy Statement is incorporated by reference into any other filing by the Company under the Securities Act or the Exchange Act, the sections of this Proxy Statement entitled and "Audit Committee Report" will not be deemed incorporated, unless otherwise specifically provided in such filing.

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2021, as filed with the SEC, may be obtained by stockholders without charge by written or oral request, or may be accessed on the Internet at www.sec.gov or www.elitebodysculpture.com.

Householding

Under the rules adopted by the SEC, we may deliver a single set of proxy materials to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one set of proxy materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the proxy materials, as requested, to any stockholder at the shared address to which a single copy of these documents was delivered. If you prefer to receive separate copies of the proxy statement or annual report, contact Computershare by calling 1-866-641-4276 or in writing at AirSculpt Technologies, Inc., 400 Alton Road, Unit TH-103M, Miami Beach, Florida 33139 or via email at investorvote@computershare.com with "Proxy Materials AirSculpt Technologies, Inc" in the subject line.

In addition, if you currently are a stockholder who shares an address with another stockholder and would like to receive only one copy of future notices and proxy materials for your household, you may notify your broker if your shares are held in a brokerage account or you may notify us if you hold registered shares. Registered stockholders may notify us by contacting Computershare at the above telephone number or address.

Voting by Telephone or the Internet

Provision has been made for you to vote your shares of common stock by telephone or via the Internet. You may also vote your shares by mail. Please see the proxy card or voting instruction form accompanying this Proxy Statement for specific instructions on how to cast your vote by any of these methods.

Submitting your vote by telephone or via the Internet will not affect your right to vote during the meeting should you decide to attend the Annual Meeting virtually or in person.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. The Company has been advised that the Internet voting procedures that have been made available to you are consistent with the requirements of applicable law. Stockholders voting by phone or via the Internet should understand that there may be costs associated, such as usage charges from Internet access providers and telephone companies, which must be borne by the stockholder.

Other Matters

The Board does not know of any other matters that are to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting or any adjournments or postponements thereof, the people named as proxies will have discretion to vote thereon.
